AHA BLS/CPR - Healthcare Provider

\$69

For those interested in CPR classes, please be aware that there are two types. If you need assistance identifying the correct course, please call (702) 651-4495.

This course is American Heart Association approved and designed to provide a wide variety of healthcare professionals the ability to recognize several life-threatening emergencies, provide CPR, use an AED, and relieve choking in a safe, timely and effective manner. The course is intended for certified or non-certified, licensed or non-licensed healthcare professionals such as physicians, nurses, paramedics, emergency medical technicians, respiratory therapists, physical and occupational therapists, physician's assistants, and other allied health personnel. **The 2015 American Heart Association manual included.** After successful completion of the course, including both written and skills examination, students will receive a two-year CPR Healthcare certification card. Instructor: Staff.

AHA CPR Heartsaver/AED/First Aid

For those who are interested in CPR classes, please be aware that there are two types; if you need assistance identifying the correct course please call (702) 651-4495.

The American Heart Association **Heartsaver First Aid with CPR and AED** course is designated to meet OSHA requirements. This course provides basic First Aid, cardiopulmonary resuscitation (CPR) and automated external defibrillator (AED) skills. This course is intended for non-health care first responders, such as organizational safety officers and persons who needed certification for regulatory requirements in education, hospitality, food service, etc. **The American Heart Association Provider Manual is included.** After successful completion of the course, students will receive a two-year AHA-CPR Heartsaver certification card. Please call (702) 651-4495. Instructor: Staff

The Latest and Greatest on IV Therapy for RN's Only**\$99**

A comprehensive course developed for licensed RNs to acquire the knowledge and skills needed to provide IV care to patients, list the standards of IV care as proposed by the INS, identify patient risk factors for IV complication and become familiar with nursing interventions to prevent/manage each intravenous complication. In addition, participants will be able to administer IV medications safely, review central venous circulation and the different types of access devices used for intermediate and long term IV therapy, list the patient/therapeutic indications for each device, list the alternatives to IV therapy and the indication for choosing the alternatives. We will also discuss the financial considerations related to IV therapy. The nurse will also learn to demonstrate effective methods of initiating a peripheral IV site. **CEs provided by Nevada Board of Nursing.** Instructor Kathleen T Mohn, MSED, RN (10 hours).

Day	Date	Time	Location RM
T	Feb. 13	8:00 a.m.-6:00 p.m.	SW B110
T	April 24	8:00 a.m.-6:00 p.m.	SW B110

T	Oct. 23	8:00 a.m.-6:00 p.m.	SW B110

IV Therapy for Medical Assistants**\$99**

This class is specifically for medical assistants. Skill check sheets are provided. Information is presented in accordance with the Infusion Nurses Society standards, the legally accepted standard bearer for IV care. Administering IV fluids and placing IVs are specific topics addressed. **CEs provided by College of Southern Nevada.** Instructor: Kathleen T. Mohn, MSED, RN (10 hours).

Day	Date	Time	Location RM
W	March 14	8:00 a.m.-6:00 p.m.	SW B110
W	Aug. 15	8:00 a.m.-6:00 p.m.	SW B110
Th	12/6	8:00 a.m.-6:00 p.m.	SW B110

IV Therapy for Emergency Room Technicians**\$99**

The attendee will receive a skill check list validating IV proficiency. IV Standards of Care will be presented, peripheral IV care/maintenance, IV starts. Venous lab sampling will also be presented to include: order of the draw, safety for the patient and the technician, patient education regarding venous lab sampling. Pediatric IV guidelines will also be presented and IV skill will also be validated. **CEs provided by College of Southern Nevada.** Instructor: Kathleen T. Mohn, MSED., RN (9 hours).

Day	Date	Time	Location RM

W	Dec. 5	8:00 a.m.-5:00 p.m.	SW B110

P.I.C.C. Line Insertion Class**(Peripherally Inserted Central Catheters)****\$285**

This class will cover the correct vascular access device, the insertion of the device and the management of the line once it is inserted and stabilized using the vascular access system. The instructor will provide the text and equipment. **This course is a prerequisite for the ultrasound PICC class.** Instructor: Kathleen T. Mohn, MSED., RN (12 hours).

Day	Date	Time	Location RM
Th	Feb. 15	8:00 a.m.-8:00 p.m.	SW B110
Th	June 7	8:00 a.m.-8:00 p.m.	SW B110
Th	Oct. 18	8:00 a.m.-8:00 p.m.	SW B110

When you enter your email address to register, a confirmation will automatically be sent to you to confirm your class.

Any course changes or cancellations will also be sent to you via email. Register now and register often. We'll see you at class!

Ultrasound-Guided PICC Placement Class**\$285**

PICC Line Insertion Class required prior to taking this course. This class will prepare the participant to place Peripherally Inserted Central Catheters (PICCs) via ultrasound guidance. The class will enable the participant to measure the internal diameter of veins on live subjects, distinguish other anatomic structures in the upper arms, and evaluate the placement for malposition using the ultrasound. Techniques to improve and enhance visibility of the selected area will also place a PICC via simulation utilizing the ultrasound. Proper documentation of the PICC placement process via ultrasound will also be discussed. There will also be a brief discussion of viewing the tip position of various PICCs on x-ray. This class is supported via a grant from several ultrasound vendors to enable participants to utilize actual devices during the class. Instructor Joyce Varhola, RN. (12 hours).

Day	Date	Time	Location RM
F	Feb. 16	8:00 a.m.-8:00 p.m.	SW B110
F	June 8	8:00 a.m.-8:00 p.m.	SW B110
F	Oct. 19	8:00 a.m.-8:00 p.m.	SW B110

Ultrasound Placement of Peripheral IVs**& Extended Dwell****\$99**

This course is designed to enable RNs and Radiology Technicians to place peripheral IVs and Extended Dwell Peripheral Catheters in one attempt for selected patients using ultrasound technology in accordance with Infusion Nurses Standards and under aseptic technique. Instructor Kathy Mohn MSed, BSN, RN, PLNC (10 hours)

Day	Date	Time	Location RM
W	Jan. 31	8:00 a.m.-6:00 p.m.	SW B110

Venipuncture 1-2-3**\$99**

This course is designed to assist nursing students, registered nurses, and LPNs to improve their IV placement skills. This course will help participants hone their peripheral venipuncture skills to the degree that one attempt will be their usual pattern of placing IVs in patients. Infusion Nurses Society guidelines will be stressed as well as Nevada state law regarding LPN IV practice. Techniques for IV placement in children will also be reviewed. Manufacturer's guidelines for specific catheters will be stressed for the facilities in which the participants work or study. A simulation lab with skill check off sheet will be included. Instructor Kathleen Mohn, MSED, RN. (4 hours).

Day	Date	Time	Location RM
Th	Feb. 8	8:00 a.m.-1:00 p.m.	SW B110
W	May 9	8:00 a.m.-1:00 p.m.	SW B110
W	Sept. 5	8:00 a.m.-1:00 p.m.	SW B110
M	Dec. 10	8:00 a.m.-1:00 p.m.	SW B110

Neonatal Resuscitation Provider Skills Check**\$50**

This course provides an evidenced-based approach to resuscitation of the newborn. **Register and purchase New 7th Edition, 2015, NRP manual 30 days prior to class.** Self-study is **required and participant must complete online testing, through Healthstream for \$35, prior to class and bring documentation to class.** Interactive hands-on, skill-based stations are provided for final exam in class. Participant will be able to demonstrate the steps in the "NRP Flow Diagram" using proper sequencing, timing and techniques. Debriefing will follow after each case study. Certification and recertification is managed the same. **Textbook is required and can be purchased separately at Sahara West Center. Please call (702) 651-4747.** Instructor: Jana Munk, RN, NRP-1 (4 hours).

Day	Date	Time	Location RM
T	Jan. 16	9:00 a.m.-1:00 p.m.	SW A117
T	March 6	9:00 a.m.-1:00 p.m.	SW A117

S.T.A.B.L.E. Program**\$99**

The S.T.A.B.L.E. program is designed to provide important information about neonatal stabilization for maternal/infant healthcare providers in all settings from community hospitals and birth centers, to emergency rooms and more complex hospital environments. **Textbook is required and can be purchased separately at Sahara West Center. Please call (702) 651-4747.** Instructor: Vanessa Stewart, RN, BSN (9 hours).

Day	Date	Time	Location RM
T	April 10	8:00 a.m.-5:00 p.m.	SW A101
T	Oct. 23	8:00 a.m.-5:00 p.m.	TBA

Trauma Nursing Core Verification - TNCC**\$415**

The Trauma Nursing Core Provider Course is a 20-hour course designed for the licensed RN provider. Participants will learn cognitive knowledge and psychomotor skills. The trauma nursing process is used to standardize the approach to trauma care and is reflected in the chapters and in the psychomotor skill stations in the manual. Upon successful completion of the course, participants will receive 17.65 CEs with a four-year certification card. Textbook is included and sent Federal Express two weeks prior to the start date of the class based on class enrollment. Instructor Pat Sica, RN, CCRN, CEN. (20 hours).

Day	Date	Time	Location RM
Th, F	Jan. 11-12	7:30 a.m.-5:30 p.m.	SW A106
Th, F	March 8-9	7:30 a.m.-5:30 p.m.	SW A106
Th, F	Sept. 6-7	7:30 a.m.-5:30 p.m.	TBA

Registration Begins Dec. 11, 2017

Trauma Nursing Core Reverification-TNCC**\$150**

The Trauma Nursing Core Reverification Course is a nine-hour course designed for the licensed RN provider. This one day TNCC course is to reverify an experienced RN in trauma, one who already holds a current provider certification card in TNCC. Must bring current provider card to course. Upon successful completion of the course, participants will receive 7.7 CE's with a four-year certification card. Textbook not included. Instructor: Pat Sica, RN, CCRN, CEN. (9hours)

Day	Date	Time	Location RM
Th	May 10	7:30 a.m.-5:00 p.m.	SW A111
F	Aug. 10	7:30 a.m.-5:00 p.m.	TBA

Trauma Nursing Core Course (TNCC) - Instructor Course \$400

Using the TNCC Instructor Manual, the participants will acquire knowledge and skills to instruct and coordinate a TNCC Provider Course/ENA. Prerequisite: Student must provide documentation of recommendation from a Provider Course and documentation of a score of 90 percent or higher on the TNCC Certification Exam and an percent or higher on the TNP. Upon successful completion of the course, participants will receive 7.50 CE's. Textbook included & distributed in class. Instructor: Pat Sica, RN, CCRN, CEN (9.5 hours).

Day	Date	Time	Location RM
S	March 24	7:30 a.m.-5:00 p.m.	SW A117
F	May 11	7:30 a.m.-5:00 p.m.	SW A117

Th	Dec. 6	7:30 a.m.-5:00 p.m.	SW TBA

Emergency Nursing Pediatric Certification**Course - ENPC****\$415**

The Emergency Nursing Pediatric Provider Course is a 20-hour course in which a registered nurse (RN) participant receives verification as an ENPC Provider for a four-year period. The ENPC is a standardized, interactive course recognized internationally for providing the learner with core-level pediatric emergency knowledge and psychomotor skill experience with care of ill or injured child. With successful completion of the course, the provider receives 15.58 CE's & four year provider card. The textbook is included and mailed via Fedederal Express 2 weeks prior to the start date of the class based on class enrollment. Instructor: Judy Fuss-Carl, RN,MSN (20hours).

Day	Date	Time	Location RM
Th, F	March 15-16	8:00 a.m.-5:00 p.m.	SW A105
Th, F	Sept. 13-14	8:00 a.m.-5:00 p.m.	SW TBA

Choose your classes carefully. Check dates and time as all classes are non-refundable.

When you enter your email address to register, a confirmation will automatically be sent to you to confirm your class.

Any course changes or cancellations will also be sent to you via email. Register now and register often. We'll see you at class!

Wound Management**\$99**

Acute and chronic wounds occur due to many factors including but not limited to: trauma, surgical diabetes, arterial/venous insufficiency, cancer, moister, and pressure ulcers. Left untreated, these wounds can become infected or progress leading to sepsis, amputation, or even death. Wounds and pressure ulcers increase hospital stays by three to five times. This program is offered to any health care professionals and patient care takers. Participants will be instructed on assessing risk factors, wound assessment, measurements and accurate documentation. Staging of pressure ulcers will include the National Pressure Ulcer Advisory Panel (NPUAP) guidelines, wound healing cascade, and universal principle of wound management. The participant will be provided with valuable, cutting-edge information to enhance everyday skin and wound care practice with hands-on demonstration using wound care models. **CEs provided by Nevada Board of Nursing.** Instructor: Ginette Boudreault, RN, BSN, CWOCN (9 hours).

Day	Date	Time	Location RM
M	March 5	8:00 a.m.-5:00 p.m.	SW B110
M	June 4	8:00 a.m.-5:00 p.m.	SW B110
T	July 10	8:00 a.m.-5:00 p.m.	SW B110
M	Dec. 10	8:00 a.m.-5:00 p.m.	SW TBA

Ostomy Management**\$99**

Up to 120,000 new ostomy surgeries are performed each year. The United Ostomy Association of America (UOAAA) estimates that slightly more than 500,000 Americans have some type of stoma. With hospital stays being shorter, patients and their families may not be provided with the necessary training to care for their stoma when leaving the hospital. This program will provide participants with the tools needed to care for ostomies.

Participants will learn about the different types of ostomies, how to asses and treat stoma and peristomal skin. Social and psychological of ostomy surgeries will also be discussed. Participants will be provided with hands-on manipulation of different types of ostomy appliances and accessories needed to provide a secure and seal and piece of mind for ostomates. **CEs are Nevada Board of Nursing Approved.** Instructor: Ginette Boudreault, RN, BSN,CWOCN (9 hours).

Day	Date	Time	Location RM
M	May 7	1:00p-5:00 p.m.	SW B110
M	Oct. 15	1:00p-5:00 p.m.	SW B110

Train the Trainer

-Become a Nursing Assistant Instructor \$190

Train the Trainer is a course for Licensed RNs who would like to spend some time in the classroom reaching students looking to become Nursing Assistants. Instructors: Carla Wright, MSNed, RN, CNE (16 hours)

Day	Date	Time	Location RM
Th, F	March 29-30	9:00 a.m.-5:00 p.m.	WC TBA
F, Sa	Oct. 6-7	9:00 a.m.-5:00 p.m.	WC TBA

Pharmacology Review for Nursing Students \$89

This course provides pharmacology tutoring or nursing students who are currently enrolled in a nursing program and/or who are preparing for NCLEX-PN or NCLEX-RN. Instructor: Lily-Ann Nyangau, RN, PharmD, RPh (6 hours).

Day	Date	Time	Location RM
Fri	Feb. 23, March 9, & April 13	4-6 p.m.	WC TBA
Fri	Oct. 5, Oct. 19, & Nov. 16	4-6 p.m.	WC TBA

Healthcare Careers

Home Care Aide Training \$1640

This four-week course is designed to prepare the student to work as a Home Care Aide, to competently assist elderly and disabled adults with activities of daily living. An emphasis is placed on infection control procedures, safety, client rights, effects of aging, common disease processes, and caregiver etiquette while in the home. Communication skills and understanding of individual client needs are stressed. Employment options and career opportunities are integrated into the curriculum with the objective of placing students in jobs or continuing their education. CPR and Mental Health First Aide Training are also included.

Day	Date	Time	Location RM
M-F	*Feb. 5-March 2	9:00 a.m.-3:00 p.m.	SW B102

F & Sa	June 22-23	8:00a a.m. 5:00 p.m.	WC TBA

EMT/AEMT Online Transition Refresher**w/Skills Lab****\$300**

This eight-hour lab requirement is designed to be utilized with the online EMT to AEMT interactive courses. The course is approved and accepted by Southern Nevada Health District Office of EMS & Trauma Systems, which meets the National Registry of EMT skills sign off requirements. This lab is designed to allow the student to meet with an instructor, practice, enhance their skills, and receive credit for the skills required by the National Registry of Emergency Medical Technicians office (NREMT) at the EMT/AEMT level. Students will be provided course code and access code to complete online requirements prior to scheduled skills lab date. (9 hours).

Adult Literacy and Language Program

English as A Second Language (ESL) Classes - The noncredit ESL program offers classes to adults (18+ years) who want to improve their listening, speaking, reading and writing skills.

High School Equivalency Test Preparation (HSE) Classes - The HSE program prepares adults (18+ years) to take the HSE tests. These courses cover the five sub-sections that make up the HSE tests, which include: Language Arts - Writing; Social Studies; Science; Language Arts - Reading; and Mathematics.

For more information please visit:

Sahara West Center

2409 Las Verdes St., Las Vegas, NV 89102
or call (702) 651-4487

When you enter your email address to register, a confirmation will automatically be sent to you to confirm your class.

Any course changes or cancellations will also be sent to you via email. Register now and register often. We'll see you at class!

Facilities Maintenance & Operations Training

The new Facilities Maintenance and Operations Training Program prepares students for entry level positions responsible for the working order and appearance of multiple facilities. Students will learn safety protocol as well as entry level electrical, plumbing and heating/air conditioning.

For more information, call (702) 651-5944.

Workforce & Economic Development

CSN's Division of Workforce and Economic Development was established in 2005 to meet the training needs of Southern Nevada's workforce and employers. The Division is an entrepreneurial and self-supporting division of the college that works with the region's businesses and key industry sectors in the assessment, design and implementation of customized curricula and training programs. The Division also provides services to students, employers, employees and adult learners seeking education opportunities, new skills and career advancement. Since 2005, approximately 65,000 students have been served through the Division's programs.

Give the gift of education

- e-gift cards are available!

Safety

We are also in the process of developing personal safety classes which will include Rape Aggression Defense (RAD).

For more information, call (702) 651-5944.

Community & Personal Enrichment Programs

The College of Southern Nevada Division of Workforce and Economic Development presents a broad variety of fee-based, noncredit programs (continuing education courses) for community members aged 16 years and older. Community and Personal Enrichment programs are provided in: recreation, arts and crafts, home and family, self development, music, computer software, test preparation, writing, entrepreneurial and small business subjects. We also provide specific programs for students aged 55+. This division also provides three levels of Motorcycle Operation Safety classes.

The CSN noncredit course schedule is printed and distributed three times a year (fall, spring, and summer) with all course information and registration procedures. Classes may also be found at the CSN web site, www.csn.edu/workforce. For more information or to be placed on the mailing list to receive the CSN Noncredit Course schedule at your home, please call (702) 651-4059.

Registration Information

Payment for classes must be received at the time of registration. If payment is not received at this time, you will be dropped (purged) from the class the same day without notice.

Credit card payments are accepted when registering online or by phone. Credit cards accepted are: American Express, Master Card, Visa and Discover Card.

Be sure to provide a valid email address. Your class confirmation and transaction receipt will be sent to the email in your student profile. If you do not have an email address, you can register by phone, by mail, by fax or in person (see below). Question about registration? Please call (702) 651-4747.

Ways to Register and Pay

Online:

The Division of Workforce and Economic Development invites you to register with our new Web Registration System. We hope you will find the registration experience to be easier, more efficient and more convenient. If you have not used the registration system, you should start by creating a new student profile. All you will need is an e-mail address. Just follow these simple steps:

1. Go to www.csn.edu/workforce
2. Click the button labeled "Registration"
3. Click the "Sign In" link on the left side
4. Login with your user name and password or create a new student profile.

You are ready to select your classes. You'll find simple step-by-step instructions as you continue.

Walk-In:

You may register in person with credit card, check or money order at the Registration office located at:
Sahara West Center
2409 Las Verdes Street, Las Vegas
(702) 651-4747

By Mail:

Mail your registration form, with your check or money order (no cash please), made payable to the Board of Regents to:
CSN DWED Registration
2409 Las Verdes Street, K1B
Las Vegas, Nevada 89102

By Phone:

Sahara West Center
(702) 651-4747
(8:00 a.m. to 4:00 p.m., Monday - Friday)

FAQs

All Classes Are Nonrefundable. Please Choose Your Classes Carefully.

Are there any fees to register for a class?

No.

Can a minor attend a class?

Students under the age of 16 (unless otherwise noted) must have the approval of a parent or guardian, the instructor, and CSN prior to attending any non-credit course. If the parent or guardian enrolls with the child, an exception is made.

What happens if my class is canceled?

CSN makes all reasonable attempts to notify students of changes or course cancellations. If a class is canceled, you will automatically receive a full refund. CSN reserves the right to discontinue, postpone or cancel classes and to change course locations or instructors.

Transfer of Fees

As noted all noncredit courses listed in this schedule are NONREFUNDABLE. You may however transfer your fee to another class by following these instructions: you must request a transfer seven calendar days prior to the start date of the class in which you are currently enrolled. If you fail to request your transfer within seven-day period, you will forfeit your tuition fee. If you have questions about transferring your class, please call (702) 651-4747 to request assistance. Send your transfer request at least seven calendar days prior to the start of class to:

DWED@csn.edu or

CSN Transfer Requests
2409 Las Verdes Street - SAH
Las Vegas, Nevada 89102

or fax to (702) 651-4538

Questions about transfers or credit?

Email DWED@csn.edu or call (702) 651-4747.

Please note: The College of Southern Nevada assumes no responsibility for consequences that may arise over a student's decision to enter into a business or professional arrangement with an instructor outside of the college's scheduled activity. Fee-based, non-credit courses are presented for your information and enjoyment. The college does not endorse any person or product and reserves the right to change courses, programs or presenters.

Need Assistance?

If you have a documented disability that may require assistance, you will need to contact the Disability Resource Center(DRC) for coordination of your academic accommodations. The DRC is located in Student Services on each campus.
